Entries due: Monday, March 2, 2009.

Please note that you will be getting a second invoice from the NATIONAL AAF office in addition to this charge.

The reason for the fee is to pay for the updates, operation and maintenance for the ADDY software. You won't receive your billing from National until May 2009 so be sure to plan accordingly.

The additional cost is \$2.00 per professional entry and \$4.00 per student entry. The student rate is higher due to the cash prize that is awarded at the National show.
